PROFESSIONAL SUMMARY

Results-driven .NET Developer with 1 year of experience in designing and developing **scalable, full-stack web applications** using **ASP.NET MVC, C#, SQL Server, and RESTful APIs**. Proficient in **front-end integration** with **HTML, CSS, JavaScript, jQuery, and AJAX**, and experienced in **database management** and **problem-solving**. Passionate about delivering efficient, maintainable software solutions.

SKILLS

UI Technology

- HTML
- CSS
- BOOTSTRAP
- JavaScript
- JQUERY

Framework

- ASP.NET MVC
- ASP.NET Core
- Web API
- Django

Programming

- C
- C#
- PYTHON
- JAVA

Core Concepts & Methodologies

- Object-Oriented Programming (OOPs)
- MVC Architecture
- Software Development Life Cycle (SDLC)

Tools & IDEs

- Visual Studio 2022
- PyCharm
- Git
- GitHub
- Postman

Web Services

- RESTful API Integration
- ADO.NET

Database

- Microsoft SQL Server (MSSQL)
- Stored Procedures

WORK EXPERIENCE

.Net Developer, SigmaIT Software Designers PVT LTD

- Developed and maintained **ASP.NET MVC** web applications using **C#, SQL Server, and ADO.NET**.
- Designed and implemented **RESTful APIs** to enhance system communication and data flow.
- Collaborated with a **cross-functional team** of 5 developers to optimize backend performance by 20%.
- Participated in **UI integration** using **HTML, CSS, JavaScript, and jQuery** for better user experience.

02/2023 – 08/2023

Lucknow, India

Apprenticeship Trainee, Techpile Technology Pvt. Ltd

- Completed **45 days of practical training** in **.NET MVC**
- Gained hands-on experience with **SQL Server, CRUD operations, and MVC architecture**.

08/2022 – 01/2023

Lucknow, India

PROJECTS

EduVerse | ASP.NET MVC, SQL Server, Razorpay API

- Built a **scalable e-learning platform** enabling online course creation, enrollment, and material delivery.
- Implemented **role-based access control** for instructors and students.
- Developed modules for **paid/free courses**, with **video/PDF uploads** and **Razorpay payment integration**.
- Designed a **responsive student dashboard** using **HTML, CSS, and JavaScript**.
- Optimized backend performance with **SQL Server stored procedures** and efficient **CRUD operations**.

2025 – Present

JJM Grievance | ASP.NET MVC, SQL Server

- Developed an **online complaint registration system** for the **UP Government** to handle water-related grievances.
- Implemented **multimedia upload support** (photos/videos) and **real-time complaint tracking** using complaint ID or mobile number.
- Categorized complaints by **location and type**, improving resolution efficiency and transparency.
- Ensured scalability and security through structured **MVC design** and **SQL Server integration**.

2023

Gate Pass Management System | Python, Django, SQLite

- Created a **web-based gate pass management system** to automate student and staff gate pass requests.
- Implemented **role-based login** for students, faculty, and gatekeepers.
- Reduced manual paperwork and enhanced campus security using **automated approvals and data tracking**.
- Used **Django ORM** for data handling and **HTML/CSS** for interface design.

2022

CERTIFICATIONS

Python Developer – 45 Days Summer Training, Techpile Technology Pvt. Ltd. (2022)

EDUCATION

Master of Computer Applications, Shri Ramswaroop College Of Engineering And Management

2025

Lucknow, India

Bachelor of Computer Applications, Sunbeam College For Women Bhagwanpur

2022

Varanasi, India
