OBJECTIVE

To contribute effectively to a growth-oriented organization by leveraging my technical skills and continuously learning to enhance my professional development and add value to the team.

WORK EXPERIENCE

.Net Developer , <i>SigmaIT Software Designers PVT LTD</i>	02/2023 – 08/2023 Lucknow, India
Apprenticeship Training , <i>Techpile Technology Pvt. Ltd</i>	08/2022 – 01/2023 Lucknow, India

EDUCATION

Shri Ramswaroop College Of Engineering And Management, MCA	2023 – 2025 Lucknow, India
Sunbeam College For Women Bhagwanpur, BCA	2022 Varanasi, India

PROJECTS

JJM Grievance (.NET MVC)	2023
- Developed an online Complaint Registration System as part of a UP Government initiative to handle water-related grievances effectively. - Enabled users to file complaints with detailed information and multimedia support (photos/videos). - Incorporated real-time tracking of complaint statuses using mobile numbers and complaint IDs. - Categorized complaints by location and type, facilitating efficient issue resolution.	
Gate Pass Management System (Python with Django)	2022
- Developed a web-based Gate Pass Management System to streamline gate pass requests and approvals in a college environment. - Reduced manual paperwork, enhanced security measures, and improved overall efficiency. - Implemented role-specific functionalities for students, faculty, and gatekeepers.
